

## Promoting Children's Learning from Birth to Five: Developing the New Early Years Professional (2nd Revised edition)

By Angela Anning, Anne Edwards

Open University Press. Paperback. Book Condition: new. BRAND NEW, Promoting Children's Learning from Birth to Five: Developing the New Early Years Professional (2nd Revised edition), Angela Anning, Anne Edwards, 'At a time of constant and rapid change in education, this book will inform and reassure early childhood professionals' - "Practical Pre-School". 'Besides advice on the most helpful ways to develop learning in areas such as maths and literacy, there are suggestions and comments about further reading at the end of each chapter, and examples of the thoughts and responses of real children are never far from the page' - "TES". 'Innovative, resourceful and thoroughly researched! a challenge to existing and emerging early childhood professionals' - "Contemporary Issues in Early Childhood". "Promoting Children's Learning from Birth to Five" supports early years professionals as they develop new practices to promote young children's learning. This second edition fully reflects the enormous changes in early childhood education and care since the publication of the first edition. Retaining its successful focus on literacy and mathematical development as key exemplars of promoting young children's learning, the book considers new ways of working with parents, promoting inter-professional collaboration, and achieving sustainable, systematic change in children's services. The second edition:...
