Back Pain Relief in 90 Seconds (Paperback)

By Gadi Kaufman

Neuromuscular Therapy/Scs, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The pain-free approach to resetting the nervous system and releasing muscle spasms From Neuromuscular Therapist Gadi Kaufman comes the long awaited book about how to relieve back pain using the pain-free approach called Strain Counterstrain Technique. In Back Pain Relief in 90 Seconds, you will learn important information about lower back pain that you have not been told by the previous practitioners. For example, did you know that the majority of lower back pain does not actually originate in the lower back muscles themselves? In other words, when you feel lower back pain, the true source of that pain can often be traced to muscles and joints in the front of the body. Yes, that's right: those tired and overused muscles in the front of the body can radiate severe pain to the lower back. This lower back pain quickly becomes chronic due to a chain reaction that occurs which limits mobility, twists and torques the spine, rotates the pelvis, and compresses hip sockets on both sides of the body. At the center of this chain...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Natalie Abbott

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
