

## The Inventor's Adviser, and Manufacturer's Handbook to Patents, Trade-Marks, Designs, Copyrights, Prints and Labels (Classic Reprint) (Paperback)

By William C Linton

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Inventor's Adviser, and Manufacturer's Handbook to Patents, Trade-Marks, Designs, Copyrights, Prints and Labels First: Send to my offices a disclosure of your invention for preliminary search of the Patent Office records. Cost \$10. A disclosure may consist of sketches or diagrams and a description of the invention. A model is desirable, but not necessary. Immediately upon the receipt of the disclosure, I will make the preliminary examination and render my opinion concerning the invention's patentability and the exact fee required for preparing and filing the application in the Patent Office. A search is not compulsory, and if you know your invention is new you can instruct me to immediately prepare the application for patent, thereby saving time and cost of search. Second: If the invention is patentable. then remit to me the usual advance fee of \$30 in ordinary cases and I will prepare the complete application papers and drawings which are sent to you for your approval and signature before filing in the Patent Office. Third: After you have approved...

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*

-- **Andres Bashirian**

*Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.*
