Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Charm of Oxford There are many books on Oxford; the justification for this new one is Mr. Blackall's drawings. They will serve by their grace and charm pleasantly to recall to those who know Oxford the scenes they love; they will incite those who do not know Oxford to remedy that defect in their lives. My own letterpress is only written to accompany the drawings. It is intended to remind Oxford men of the things they know or ought to know; it is intended still more to help those who have not visited Oxford to understand the drawings and to appreciate some of the historical associations of the scenes represented. I have written quite freely, as this seemed the best way to create the impression wished. I have to acknowledge some obligations to Messrs. Seccombe Scotts Praise of Oxford, a book the pages of which an Oxford man can always turn over with pleasure, and to Mr. J. B. Firths Minstrelsy of Isis; it is not his fault that the poetic merit of so much of his collection is poor. Oxford has not on the whole been fortunate in her poets. My own quotations are more often chosen for their local colour than for their poetic merit. I have unavoidably had to borrow a good deal from my own Oxford and its Colleges, but the aim of the two books is very different. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format...
