

## Toward Better Problems: New Perspectives on Abortion, Animal Rights, the Environment, and Justice

Filesize: 6.05 MB

### ***Reviews***

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

*(Dr. Kayden Gerlach)*

Temple University Press,U.S. Paperback. Book Condition: new. BRAND NEW, Toward Better Problems: New Perspectives on Abortion, Animal Rights, the Environment, and Justice, Anthony Weston, In "Toward Better Problems", Anthony Weston develops a pragmatic approach to the pressing moral issues of our time. Weston seeks to address practical problems in the spirit of John Dewey: that is, by focusing on specific human concerns and multiple, overlapping values rather than on abstract philosophical principles. Weston showcases his method in sustained discussion of four highly controversial areas: abortion, animal rights, environmentalism, and justice. Weston takes up uncomfortable issues, such as how we raise food animals; test medicines, cosmetics, and chemicals on animals; and justify speciesism. He engages philosophically the treatment of land and seas as limitless garbage dumps, the creation of radioactive wastes and their disposal, and fundamental problems of social justice. But Weston's aim is not to "solve" such problems as if they were some kind of puzzle. The aim instead is to creatively transform such problematic situations into something more promising and tractable, thereby leaving us with "better problems." Author note: Anthony Weston teaches Philosophy at State University of New York, Stony Brook and is the author of "A Rulebook for Arguments".
