Brand New Book ***** Print on Demand *****.Recent international events have renewed congressional interest in the United Nations Educational, Scientific and Cultural Organization (UNESCO). UNESCO is a specialized agency of the U.N. system that promotes collaboration among its member countries in the fields of education, natural sciences, social and human sciences, culture, and communications and information. With an annual budget of approximately \$326 million, it supports more than 2,000 staff members working at its headquarters in Paris and 65 field offices and institutes worldwide. UNESCO activities are funded through a combination of assessed contributions by member states to its regular budget, and voluntary contributions by member states and organizations.
