The first three books, Chick-The Beginning , Chick-The Saddle Horse , and Chick-The Mom center around the matriarch in this line of horses. The rest of the titles in this series (13 so far) go into Chick s offspring and friends. The book Appaloosa-The State Horse centers around some of Chick s friends of a different breed, the Appaloosa. This book talks about seven different beautiful, wise, and talented appaloosa horses that have many interesting stories to tell. The first chapter of the book talks about how the appaloosa breed began. These books have had many very positive reviews from the top reviewers (students, teachers, librarians, adults, and elderly). The author-written AR tests are free. Renaissance has tested the books for their reading level, 3.5 - 4.2. Appaloosa-The State Horse was tested at 3.9. Young children love having these stories read to them. Junior High and High School students love them, too. These books have twelve to thirty beautiful, western line drawings.
