Reviews

It is an awesome book that we have possibly go through. It is actually written in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

AVON BOOKS, United States, 2013. Paperback. Book Condition: New. 168 x 106 mm. Language: English . Brand New Book. In her sexy new novella, Rachel Gibson, the New York Times bestselling author of *Rescue Me* and *Run To You*, once again shows that there's nothing quite like a man in uniform! They say you never forget your first time, but there's nothing Blue Butler and Kasper Pennington would rather forget than their brief but fiery teenage love affair. Yeah, it was hot while it lasted, but then he went off to join the Marines, leaving Blue in New Orleans. She's tried to block him from her mind for good, but nothing can really erase the feeling she had when she was with him. And now he's got the nerve to return--leaner, meaner, and strong enough to pull her into his arms and kiss her senseless. Blue's a successful businesswoman now, with no time to figure out what went wrong all those years ago. But Kasper knows she's the one woman for him . and now he's got to prove it to her all over again.
