Reviews

If you need to adding benefit, a must buy book. It is really simplified but excitement from the 50 percent of your book. I discovered this book from my dad and i recommended this book to understand.

(Dorothy Sawayn)

DEADLY IMPACT: A RICHARD MARINER NAUTICAL ADVENTURE

Severn House Publishers Ltd. Hardback. Book Condition: new. BRAND NEW, Deadly Impact: A Richard Mariner Nautical Adventure, Peter Tonkin, Sayonara. The world's largest Liquid Natural Gas tanker. She represents a huge and risky investment for Heritage Mariner. The first vessel of this size to sail without a crew, using only computer control and millimetre-precise GPS positioning, she is programmed to dock automatically in Japan. Her cargo has the potential of fifty-five atom bombs, which will power the construction of the floating city of Kujukuri thirty-five miles west of Tokyo. But four days before docking, a group of pirates goes aboard, breaks into her secure areas, hacks her computers and takes control. Richard Mariner has ninety-nine hours to assemble a team and retake Sayonara in an increasingly desperate, danger-filled race against time to save his ship, protect his company and safeguard one of the most densely populated areas on earth.
