Between the lines, under the lines and inside of them, doctrines of charm and importance should not be overlooked: investigate the scriptures! The Bible is the basic scriptural text for Christianity. For centuries, it has been an inexhaustible source for sermons and lessons. What makes this divine text so remarkable is that there are many levels that they can be understood. On a superficial level everybody is able to understand it. Yet there are many deeper levels that only a more in depth study can reveal. This is because God has given mankind the ability to gain knowledge by studying and by revelation. Initially, the believer will easily be able to discover the simple, essential truths as they are easy to find, but to understand the deeper things of God takes more than mere studying. It takes that, plus humility. It seems that the scriptures are like a divine prism. If a ray of light goes through them, it will radiate in all directions and all places, thereby giving light and knowledge to the reader. In this book: Who was responsible for the fall? Atonement was merely Mercy or also perfect justice? Why Jesus had to shed His own blood? Why the mount of the olive trees was so important to Jesus? Mankind s fall in a garden, Atonement in another one. What is the Hebrew meaning of Gethsemane? The Old Testament s prophecies find the natural fulfillment into the garden and Christ s atonement is revealed.
