"Julian Pleasants offers unbiased insight into the history of Nova Southeastern University. Drawing from oral interviews and primary resources in NSUs archives, Dr. Pleasants engagingly documents the key events and main personalities that enabled the evolution and growth of NSU from its not-for-profit charter in 1964, admitting seventeen graduate students in 1967, to a thriving private not-for-profit university serving over 27,000 students today."Dr. George L. Hanbury II, President, Nova Southeastern University "Nova Southeastern Universitys continued success as a premier educational institution can be attributed to the same factors that drove its founders: a tenacity to succeed against overwhelming odds, a persistent entrepreneurial drive, and a willingness to be innovative in areas where others rely on a tradition. The book chronicles the efforts of these early pioneers as well as those persons who participated in the development of this unique institution."H. Today, Nova Southeastern University serves more than 27,000 students and has produced more than 150,000 alumni. Its main campus in Fort Lauderdale is beautifully landscaped, with modern classroom buildings, an array of student housing options, state-of-the-art athletic facilities, and a unique joint-use library, the largest library building in the state of Florida....
