CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 36 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. In texts and pictures we explore the mysteries of love and life. Love refers to a variety of different feelings, states, and attitudes that ranges from interpersonal affection to pleasure. It can refer to an emotion of a strong attraction and personal attachment. It can also be a virtue representing human kindness, compassion, and affection the unselfish loyal and benevolent concern for the good of another. It may also describe compassionate and affectionate actions towards other humans, ones self or animals. Ancient Greeks identified four forms of love: kinship or familiarity (in Greek, *storge*), friendship (*philia*), sexual and romantic desire (*eros*), and self-emptying or divine love (*agape*). Modern authors have distinguished further varieties of romantic love. Non-Western traditions have also distinguished variants or symbioses of these states. This diversity of uses and meanings combined with the complexity of the feelings involved makes love unusually difficult to consistently define, compared to other emotional states. Love in its various forms acts as a major facilitator of interpersonal relationships and, owing to its central psychological importance, is one of the most...
