SARTRE EN 90 MINUTOS

[DOWNLOAD](#)

Siglo XXI de España Editores, S.A., 2014. soft. Book Condition: New. En vida de Jean-Paul Sartre, su filosofía fue bien conocida por estudiantes, intelectuales y revolucionarios, e incluso entre el gran público de todo el mundo. Esta popularidad, sin precedentes para un filósofo, fue debida en parte a sus propias ideas políticas revolucionarias, pero sobre todo se debió a su papel como portavoz del existencialismo en el momento justo en que este conjunto de ideas llenaba el vacío espiritual heredado de la Segunda Guerra Mundial y sus despojos. El existencialismo ponía de manifiesto la libertad total del individuo, constituía una estimulante y comprometida «filosofía de la acción». En manos de Sartre, se convirtió en una rebelión contra los valores dominantes de la burguesía. En Sartre en 90 minutos, Paul Strathern expone de manera clara y concisa la vida e ideas del genio parisino. El libro incluye asimismo una selección de los escritos de Sartre, una breve lista de lecturas sugeridas para aquellos que deseen profundizar en su pensamiento y cronologías que sitúan a Sartre en su época y en una sinopsis más amplia de la filosofía. «90 minutos» es una colección compuesta por breves e iluminadoras introducciones a los más destacados filósofos, científicos y pensadores de todos los tiempos. De lectura amena y accesible, permiten a cualquier lector interesado adentrarse tanto en el pensamiento y los descubrimientos de cada figura analizada como en su influencia posterior en el curso de la historia.
