Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The name of this borough is clearly derived from ham, or hame, a home; and steede, a place, and has consequently the same meaning as homestead. Park, in a note in his book on Hampstead, says that the p is a modern interpolation, scarcely found before the seventeenth century, and not in general use until the eighteenth. HISTORY Lysons says that the Manor of Hampstead was given in 986 A.D. by King Ethelred to the church at Westminster, and that this gift was confirmed by Edward the Confessor; but there is an earlier charter of King Edgar of uncertain date, probably between 963 and 978. It granted the land at Hamstede to one Mangoda, and the limits of the grant are thus stated: From Sandgate along the road to Foxhanger; from the Hanger west to Watling Street north along the street to the Cucking Pool; from the Cucking Pool east to Sandgate. Professor Hales, who thinks, whether genuine or not, this charter is certainly of value, interprets Sandgate as North End, Foxhanger as Haverstock Hill, Watling Street as Edgware Road, and the Cucking Pool he concludes was in the marshy ground at the north-west corner of the parish.
