Due to the popularization of the term by structuralist critics such as Gérard Genette and Mieke Bal in the 1970s, the definition of narratology has usually been restricted to structural, or more specifically structuralist, analysis of narrative. But in the 1980s and 1990s, the early structuralist analysis was to some extent neglected by poststructuralists. On one hand, they were against the scientific and taxonomic pretensions of structuralist narratology; on the other hand, they open up new lines of development for narratology in gender studies, psychoanalysis, readerresponse criticism and ideological critique. Now, narratology reverts to the original structuralist core of the discipline. Dubliners is a collection of fifteen short stories which depict Irish people of middle- and lowerclass in the early twentieth century. As James Joyce said, my intention was to write a chapter...
