

Radioman: An Eyewitness Account of Pearl Harbor and World War II in the Pacific

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Thomas Dunne Books, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Advance Praise for Radioman "Radioman is a fine and informative outline of an everyday American who enlisted in the US Navy before World War Two and experienced first hand war in the Pacific. It is a useful and informative introduction to the world of enlisted men in a different era. In some ways it resembles the more practical side of the *Sand Pebbles*." --Newt Gingrich "Radioman is the best written biography of a WWII career I've ever read. This book will cement the bonds between any reader and 'the Greatest Generation'." Mal Middlesworth, National President, Pearl Harbor Survivors Association, Inc. "Radioman is truly an engrossing and well-spun narrative. Hipperson retains Daves' fresh, youthful voice in a story that balances his colorful attention to detail with his broader perceptions. For those of us who have never experienced war first-hand, it is a compelling, action-filled story that moves quickly, while offering a rich array of interpretive notes and timelines for great reflection and substance." Marsha Rooney, Curator of History, Northwest Museum of Arts & Culture "From battle to battle, Radioman recounts a survivor's tale that must not be forgotten. Insights, memories, and most importantly--lessons. Never forget." --Vice Admiral John G. Morgan, Jr., United States Navy, Deputy Chief of Naval Operations for Information, Plans, and Strategy "Fate put Ray Daves in the middle of several defining moments in United States military history. In Carol Edgemon Hipperson's book we learn of the sights, the sounds and even smells that Daves experienced during his 6 years, 4 months, 17 days, sixteen hours, and forty-two seconds in the US Navy. Memories brought to life again in Hipperson's Radioman." Tim Schurtter, Program Officer, Veterans History Project, Library of Congress "Fate placed WWII sailor Ray Daves in a rare spectrum of naval service. In addition to..."
