Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

DR. GEORGE: AN ACCOUNT OF THE LIFE OF A COUNTRY DOCTOR

Southern Illinois University Press. Paperback. Book Condition: new. BRAND NEW, Dr. George: An Account of the Life of a Country Doctor, George T Mitchell, Dr. George T. Mitchell of Marshall, Illinois, shares with humor and compassion stories and reflections about his medical practice of fifty years. Having grown up in Marshall, Dr. Mitchell writes of his early experiences in midwestern America: basketball rivalries, school-boy pranks, and the traditions passed down through a family of doctors. Dr. Mitchell tells of his brief detour to obtain a degree in mechanical engineering, his decision to pursue a career in medicine, and his medical school experiences at the George Washington School of Medicine before the days of antibiotics and sophisticated medical technology. He vividly describes his subsequent service in World War II as a young surgeon at a military hospital helping injured soldiers resume normal lives while enduring the frustrations and occasional horrors of military life. After the war, Dr. Mitchell joined his father's practice in Marshall, where, he observes, he was among sixteen physicians in a rural county with a population of less than twenty thousand people. Within twenty-five years, the number of doctors had dropped to only four. In this memoir Dr. Mitchell conveys his unwillingness to just sit by and watch the health needs of his community increase while medical and other services decline. He, instead, became a community activist, representing rural concerns to the state medical society, organizing the first emergency medical technician teams in the county, masterminding the planning of a regional medical center, campaigning successfully for improved highway safety, and spurring the extension of reliable telephone service throughout his area. As Dr. Mitchell recounts the house calls, farm accidents, emergency surgeries, and family counseling that comprised the life of this country doctor, he offers the keen insights of a clinician trained...
