I felt as though I was walking on a precariously thin, transparent laminate between the mirror image of two separate worlds. Any minute, if I lost my footing and missed meeting the foot which rose to meet mine, I ran the risk of falling through. When Wolfi, a brilliant young philosophy student, begins recounting his life - from his inquisitorial father and passionate mother, to his eccentric grandmother who paid for his sexual initiation with the beautiful Andrea - we are lured into a mysterious and erotic maze. But what in fact is fact, and what in fiction is fiction? Brilliantly seductive, Out of the Line of Fire was the literary sensation of the year when it was first published, in 1988.

*The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*
