

## Men Of Honour - Trafalgar And The Making Of The English Hero

By NICOLSON, Adam

U.K / Harper Perennial, 2006. Soft cover. Book Condition: New. No Jacket. An unforgettable look at the contradictions of heroism, as embodied by Horatio Nelson and as tested by the battle of Trafalgar. The author looks at the variety of qualities ruthlessness, bravery, kindness, cruelty that combined in both Nelson and his troops to carry that fateful day. This book fuses the immediate intensity of the battle with the deeper currents that were running at the time. It has a three-part framework: the long, slow six hour morning before the battle; the afternoon itself of terror, death and destruction; and the shocked, exultant and sobered aftermath, which finds its climax at Nelson's funeral in a snowy London the following January. With illustrations. A 1st edition paperback (in this format) in new condition. (370 pages & 24 pages of introduction & 16 pages of illustrations).
