This is a book of pictures of some of the first things a young child sees and recognizes. Use it to teach infants and toddlers. It will help them learn to say the names of the things when they see them in real life. Then as they begin to use crayons and pencils, they can see how to draw these simple shapes. I hand cut all of the pieces including the letters. I hope you and your young ones will enjoy. Oh yes the last page has a place for you to glue a special photograph.
