*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.

Atlantic Publishers & Distributors (P) Ltd., 2011. Hardcover. Book Condition: New. The book is a collection of well-researched papers presented by erudite scholars at Silver Jubilee Conference of Indian Society of Professional Social Work, in collaboration with Central Board for Workers Education, Ministry of Labour, Government of India. The Conference theme, "Social Issues: Human Trafficking, Rights of Migrant Workers and Their Education" recognized that not all development was good in the public interest, and that collaboration through partnerships was the best option likely to provide for both economic and social development. Besides, the problems related with workers' education have been studied in depth and valuable suggestions offered to reverse the situation. The book will be of immense value for the students of sociology, human rights and civil society activists, policymakers in government and non-profit organizations, educationists and media persons...
