*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## SNOW ANGELS

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Snow Angels, James Thompson, The first thriller in a new series featuring Inspector Kari Vaara: the haunted, hardened detective who must delve into Finland's dark and violent underbelly. Kaamos: Just before Christmas, the bleakest time of the year in Lapland. The unrelenting darkness and extreme cold above the Arctic Circle drive everyone just a little insane .perhaps enough to kill. A beautiful Somali immigrant is found dead in a snowfield, her body gruesomely mutilated, a racial slur carved into her chest. Heading the murder investigation is Inspector Kari Vaara, the lead detective of the small-town police force. The vicious killing may have been a hate crime, a sex crime-or one and the same. Vaara knows he must keep this potentially explosive case out of the national headlines or else it will send shock waves across Finland, an insular nation afraid to face its own xenophobia. The demands of the investigation begin to take their toll on Vaara and his marriage. His young American wife, Kate, newly pregnant with their first child, is struggling to adapt to both the unforgiving Arctic climate and the Finnish culture of silence and isolation. Meanwhile Vaara himself, haunted by his rough childhood and failed first marriage, discovers that the past keeps biting at his heels: He suspects that the rich man for whom his ex-wife left him years ago may be the killer. Endless night can drive anyone to murder.
