Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Serving as a Marine sniper in Vietnam didn't make him snap. Working as a CIA assassin didn't faze him. Doing time in prison for a crime he didn't commit was hard, but he managed to keep his tough and cool facade in place. But when his mob boss decides to break him out of prison, he begins to discover the cracks in his emotional armor as things go from bad to worse. Little fissures open larger stress fractures as first he is injured and then taken hostage by a gang of thugs-along with a troubled teenage boy. With law enforcement closing in, can Markinson keep himself from falling completely apart long enough to protect the kid and avoid a return trip to prison? An action-packed tale of one man's search for the truth, and his desperate escape from injustice. It's a tale of love, hope, and decency in the face of almost-certain death.
